

Procedure non-commercial General Aviation flights Den Helder Airport

You are very welcome at Den Helder Airport again!

For your and our health, we use an adapted procedure for incoming and outgoing GA flight.

Procedure inbound GA flights:

1. Pilot submits flight plan at MVKK. To request a PPR please fill in the form in this [link](#) and send it by email to yva.ehkd@mindef.nl.
2. Pilot and/or passengers must first complete the form 'Health Declaration' (in accordance with RIVM guidelines). This form can be found through this [link](#) or via www.denhelderairport.nl
3. The completed form must be e-mailed to info@denhelderairport.nl
4. After landing and parking your aircraft at the location designated by CHC Operations, you will be escorted to the arrival hall by a platform employee.
5. Staying in the main building requires a health check (by means of a questionnaire in accordance with RIVM guidelines) and temperature measurement. Security will accompany you from the arrival hall to the reception desk where the health check will take place.
6. After agreement of the health check you have access to the visitors area of the restaurant. Please use the indicated walking routes.
7. If the 1.5 meter distance cannot be observed, you may be asked to wear a non-medical face mask. You must bring this yourself.

Procedure outbound GA flights:

1. Pilot submits flight plan at MVKK. To request a PPR please fill in the form in this [link](#) and send it by email to yva.ehkd@mindef.nl.
2. Pilot and/or passengers are given access via the main building where a health check takes place (by means of a questionnaire in accordance with RIVM guidelines) and temperature measurement.
3. Pilot and/or passengers report to CHC desk to gain access to the apron.
4. Pilot and/or passengers will be escorted by a platform employee from the departure hall to the spot.
5. If the 1.5 meter distance cannot be observed, you may be asked to wear a non-medical face mask. You must bring this yourself.
